Vol.2

**Title: Regulation for the donation of essential items to those
who have been effected by the dissemination of COVID-19 in Prachuap Khiri Khan Province**

.....

According to the dissemination of COVID-19 in Prachuap Khiri Khan Province, many people have been effected by social distancing measure. Nowadays, private organization including individual and group of people from several backgrounds are working together for helping people by donation of essential item such as consumer goods.

Because of this donation event, there are the large and small gatherings in public space which can increase the risk of transmission of COVID-19 and it fails to comply with Public health measure which aims to speedy prevent the dissemination of COVID-19. Therefore, public organization request for cooperation in arranging for the donation of essential items to the who have been effected by the dissemination of COVID-19 as follow

1. People who intend to donate the essential goods shall inform their intentions to the public organization or district organization before the donation will be arranged. The relevant organization will send the public officers to advocate the implementation of public health measure. They will communicate to the public and encourage them to strictly follow the measure, especially the measure of social distancing rule.

2. The donators must clean the surface or objects of the relevant place before and after the public gathering. Also people who are engaging in this event must wear surgical masks or optional masks and wash their hands with soap and water or use a hand sanitizer.

3. The donation event must be organized in the large area to avoid the overcrowding and the gathering time should be as short as possible to avoid the non-essential contact with others.
