

Order of the Committee of Communicable Disease, Prachuap Khiri Khan Province

No. 2/2020

Title: Emergency Preventive Measure regarding Coronavirus Disease (COVID-19) pandemic

.....

According to the Announcement of the Committee of Communicable Disease, Prachuap Khiri Khan Province section; 1/2020 on 19 March 2020 Title: Emergency Preventive Measure regarding Coronavirus Disease (COVID-19) pandemic which announced to close temporarily high risk places that could spread Coronavirus 2019 in Prachuap Khiri Khan Province till the date of 1 April 2020.

Owing to the present we found that Coronavirus 2019 are spreading around the world. There are 335,403 effected people and 14,611 died. In Thailand there are confirmedly 599 effected people and 1 died. Prachuap Khiri Khan Province, there are 7 confirmedly patients. The situation implied that there could be more people get affected. According to Bangkok's announcement titled; the statement for temporarily closing places (Volumn2) from the mentioned announcement resulted that most people travel out of Bangkok as well as out skirt area back to their hometown which may affect the control and lock down measure. So for surveillance protection and reduction of risk of Coronavirus 2019 spreading in Prachuap Khiri Khan Province, referred to authority of section 22 and 35 the governor with agreement of the Committee of Communicable Disease, Prachuap Khiri Khan Province section 34 and 45 of Communicable Disease Act, 2515 with the agreement of the Committee of Communicable Disease, Prachuap Khiri Khan Province after the 5/2020 meeting on 23 March 2020 ordered to follow;

1. Extend the end date of the order of the Committee of Communicable Disease, Prachuap Khiri Khan Province 1/2020 on 19 March 2020 from ending on 1 April 2020 to end on 7 April 2020.
2. Close temporarily the following places (adding more) from 24 March 2020 to 7 April 2020

- 2.1 Entertaining places, water places, snooker club, bowling stadium or game box.
