

Order of the Committee of Communicable Disease of Prachuap Khiri Khan  
No. 5/2020  
Title: Emergency Preventive Measure regarding Coronavirus Disease  
(COVID-19) pandemic

---

According to the Announcement of the Committee of Communicable Disease of Prachuap Khiri Khan No. 3/2020 dated 25 March 2020; Title: Emergency Preventive Measure from Coronavirus 2019 (COVID-19) pandemic. The provincial administration ordered the closure of establishments which pose a high risk of spreading of the virus in Prachuap Khiri Khan temporarily until 7 April 2020. Hence, with reference to the rule in section 9 of Emergency Decree on Public Administration in Emergency Situation, B.E.2548 (2005) (version 1) dated 25 March 2020 in item 12 ; by policy allowing to open Financial Transactions, Banks and ATM booths

Since there are many people using banking service and mobile service in many places in Prachuap Khiri Khan Province, which affect the control and preventive measure regarding the spread of Coronavirus 2019. To prevent as well as support people who use those services in accordance with section 35 and section 45 of the Communicable Disease Act, B.E. 2558 (2015), the Governor of Prachuap Khiri Khan, with the decision of the Committee of Communicable Disease of Prachuap Khiri Khan has agreed in the meeting session no.7/2020 dated 27 March 2020 and ordered the following

1. Allow following places to serve customers with the body temperature checking at the entrance, prepare gel with 70% alcohol for cleaning hands, seating 1 meter apart, cleaning every points of touching, every staff must wear mask all the time.
  - 1.1 Bank in the Department Store
  - 1.2 Telephone/ Mobile Service Center, and/ or any mobile repair center, or communication system located in the department store
2. If any Announcement of the Committee of Communicable Disease of Prachuap Khiri Khan (previously) is in violate with this Announcement, the ordered (in) of this announcement will be use.
