

Order of the Committee of Communicable Disease, Prachuap Khiri Khan Province

No. 3/2020

Title: Emergency Preventive Measure regarding Coronavirus Disease (COVID-19) pandemic

.....

According to the announcement of the committee of communicable Disease, Prachuap Khiri Khan , dated March 23,2020 ; Title: Emergency Preventive Measure regarding Coronavirus Disease (COVID-19) pandemic of closing the places temporarily where there is a risks of coronavirus-19 spreading in Prachuap Khiri Khan until April 7,2020.

It has been found that coronavirus-19 is continue to spread throughout the world. 378,392 patients are found and 16,490 died. In Thailand, 934 patients found, 4 died. In Prachuap Khiri Khan, there are 7 patients found, the situation of chance of coronavirus-19 spreading is still at a high stage. Beside that, as of Bangkok has implemented the shutdown measure in some areas, it is resulted that a large number of people in Bangkok and skirt areas happen to travel back to their home (many provinces in Thailand). This created a difficulty in term of controlling and preventing the spread of coronavirus-19. Thus, In order to monitor, prevent, and reduce a risk of spreading of coronavirus-19 in Prachuap Khiri Khan, accordance with Section 35 and Section 45 of BE.2558 Communicable Disease Act, the Governor of Prachuap Khiri Khan orders as following:

1. Shutdown the places as follow: (25 March 2020 – 7 April 2020)

1.1 Golf course

1.2 Department stores; except supper-market section, drug store or shop selling things for survival and food shop (parcel only)

1.3 Market and roadside market, open to sell for only fresh food, dried food, ready to eat food, as well as animal food and necessary goods.

1.4 Place or space for dinning or eating in is prohibited, only food for parcel or take away is allowed. The restaurant in hotel is for the guests staying in only.

/1.5 Eating...

1.5 Eating and drinking in public parks and/or the places organized by the Government or State Enterprises such as the dam, reservoir, side walk, foot path and relevant places are prohibited.

1.6 Temporarily stop some service regarding civil registration service in Governmental District Office and local administration organization; except for birth registration, death declaration and personal identification in case of loss.

2. If any Announcement of the Committee of Communicable Disease of Prachuap Khiri Khan (previously) is in violate with this Announcement, the ordered (in) of this announcement will be use.

A person who does not follow or violate the announcement, one must be sentence to prison for not over 1. years or fined 100,000 baht and/or both sentence to prison and fine in accordance with Section 52 of BE.2558 Communicable Disease Act. In case of emergency, in order to protect people and society, none can claim the right accordance with Section 30, paragraph 2 of BE.2539 Administration Operation Act.

Effective immediately

Ordered on March 25, 2020

(Mr. Punlop Singhasene)

Governor of Prachuap Khiri Khan Province
Director of The Committee of Communicable Disease
of Prachuap Khiri Khan Province
